Notes from the boss.....

What a difference four days made when it came to assessing the value of our travelling supporters!

At Barnsley on Saturday the fans did well for us. They were behind us every step of the way and their support was greatly appreciated by the players. Yet I have to admit that I was upset by a certain minority of our followers at Halifax Town in midweek.

We knew ourselves after taking one look at the Halifax pitch that the game was not going to be a classic. It was unfortunate, but we were unable to play the sort of stuff I like my players to turn on.

But the supporters, or at least that minority of supporters who find it all too easy to criticise, didn't take account of the conditions.

I still find myself in the position of trying to educate these people. It is situations like Tuesday night when we really need the supporters to get behind us. They've got to realise how important they can be.

It was very upsetting to hear the jeers and the comments which came from some of our own fans. It's water off a duck's back as far as I am concerned and I've told my players before to ignore what is shouted from the terraces.

But some of the younger lads are bothered. Stuart Storer has only just joined us and should have been expecting some encouragement from our supporters. He's still only young and I know he can give us a lot of good service in the future. He will do all the better if he gets the right sort of encouragement from the fans.

All I would ask is that you get behind us in the way teams should expect their fans to support them. We got a point at Halifax and I just hope that we can look back on a successful season and remember then how well we battled for that important point.

Today we'll be listening for your strong vocal support. It should be a terrific atmosphere with the excitement of the Life-line draw and pitting our wits against another of the clubs in the leading pack of the Fourth Division should make it an entertaining game to watch.

I hope you enjoy it and bear in mind the points I have made.

TORQUAY UNITED

Torquay, the Houdinis of the Football League, looked set for the big drop until the third minute of extra time in their final game of the season. The Plainmoor faithful went wild with delight when an equalising goal meant survival.

Torquay had been favourites to join Non-League football at the beginning of last season. They have an unsung hero partly to thank for their survival—physiotherapist, Alan Morris. At one stage during the season, Torquay were reduced to ten fit professionals and two youth training scheme appren-

tices. But by treating players at the club, hospitals and their homes, he kept the team ticking over. The club had terrible injury problems throughout last season. One key player, Derek Dawkins, played several games with a broken hand.

The manager was unhappy with Torquay's habit of throwing away games after leading. At Rochdale they lost a three-goal lead in fourteen minutes of madness. They also threw away two goal leads at Burnley, Cambridge and Hereford.

Back Row: Left to right—Alan Morris (Physio), Darren Cann, Jim McNichol, David Cole, Kenny Allen, John Impey, Derek Dawkins, Tom Kelly, John James (Res.Coach)
Front Row: Chris Myers, Gerry Nardiello, Mark Loram, Cyril Knowles (Manager), Sean Haslegrave, Mark Gardiner, Paul Dobson.

VISITORS PEN FILE

Kenny Allen—An experienced goal-keeper in his second spell with the Club, having been resigned from Swindon in December, 1986. He began his career at Bath City before joining AFC Bournemouth in 1978, and was briefly at Bury and Peterborough before first joining this Club in 1983-84.

Jim McNichol—Played at right-back for the first few months of last season following his summer move from nearby Exeter City, and has since on occasions played in the centre of defence and midfield. Glasgow born, and a former Scottish Under-21 cap, he made his first League debut with Luton in 1976-77 and later moved to Brentford before going to Exeter in the summer of 1984.

Tom Kelly—Belshill-born, he started his career with Hibs. He joined this Club in the summer of 1986, started the season in midfield but switched to left-back in early February 1987 when Phil King joined Swindon, and played in most of last season's matches.

David Cole—Barnsley born, he has been a regular since coming from Swindon on loan in late November, 1986, but was signed on a permanent basis two months later. Originally with Sunderland, he joined Swansea in 1984-85, but later that season went to Swindon where he established a first team place helping them to promotion.

John Impey—Club Captain, another summer of 1986 signing, would have been a regular in defence last season, but injuries have restricted him at different times. The former England Youth Cap who began his league career with Cardiff before eventually joining AFC Bournemouth in 1975,

is in his second spell with us for whom he first signed in 1983, and then transferred to Exeter for the 1985-86 season.

Midfield:

Derek Dawkins—Born in North London, and previously with Leicester, Mansfield and Bournemouth before joining Torquay in the summer of 1984 has been a regular in the side since the early part of 1987. Is also Youth Development Officer at the Club.

Mark Gardiner—Signed in early February, 1987, was ever present in the line up for the rest of last season. He's made several appearances for Swindon over the past few seasons including a few in 1986-87.

Strikers:

Paul Dobson—Top scorer last season, a regular after joining the Club from Hartlepool in the summer of 1986, where he had spent a number of seasons since 1981. Previously with Newcastle as an amateur. In March last season he netted all four in the 4-2 away win at Halifax, becoming the first Torquay player to score four times away from home in 52 years!

Mark Loram—Brixham born, he has resigned for the Club after a brief spell with Q.P.R. having returned on loan on transfer deadline day last season. Nineteen years old he began his League career here, when he joined from Brixham in 1984 and following a loan spell at Q.P.R. two seasons ago, he then joined them for a reported £20,000 fee.

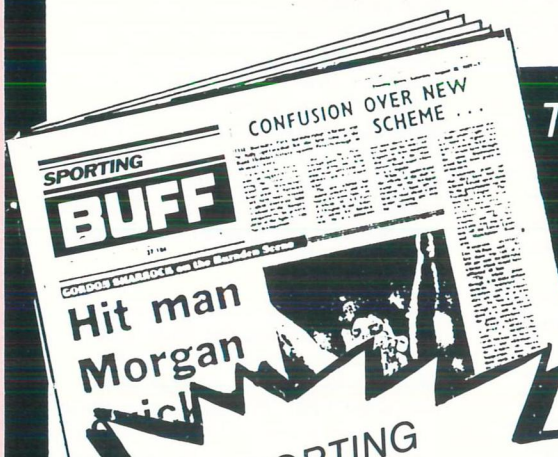

Sean Haslegrave—Signed during the summer from York City. Very experienced midfielder player. Sean will also be responsible for coaching the first team squad.

MATCH REPORT

CLOSE ENCOUNTERS OF THE 3rd KIND

If ever there was a leveller in football, it's the F.A. Cup. Being a one-off it generates excitement, fascination and world wide interest as it progresses. Come next May and some 63 countries transmit the Final 'live' on T.V.

Last weekend saw the Third Round proper and the crowds piled in the 32 venues to cheer on their heroes. At Arsenal the kick-off was held up to accommodate over 42,000 fans for the visit of Millwall, and we might have to go back to the days of Stanley Matthews to remember 31,000 packed into Stoke's Victoria Ground where Liverpool were the attraction. Over in Yorkshire at Hillsborough a repeat of the 1966 Final took place where Peter Reid replied to a Colin West opener for Wednesday and forced a replay at Goodison. In the same county, at Huddersfield, they might have to recall their First Division days where Man.City were the visitors at Leeds Road and swelled the gate to 18,000. The outcome was a 2-2 draw and a similar outcome was derived at Maine Road last Tuesday, after extra time and now its back to square one. Last years' semi-finalists, Leeds drew Aston Villa at Elland Road, where traditional Cup fighters Villa were victors by the odd goal in three in front of 29,000.

We had to make the first of two trips in four days across the Pennines, to Barnsley and our usual large away sup-

porters swelled the attendance to almost 10,000 who witnessed a keen contest and a superb goal from youngster Ian Stevens which brought praise from Barnsley Manager, Allan Clarke.

Meanwhile Ian Greaves at Mansfield obviously 'fired up' his men for the visit of Bath City and took no chances of an upset there, where the Town won 4-0. A timely goal after 44 minutes by Bob Colville at Stockport will have sent the 4,200 crowd wild and no doubt Asa Hartford and Frank Worthington will have had some words of experience to pass on at half-time but Leyton Orient spoiled their celebrations with an equaliser 13 minutes into the second half and a winner 8 minutes from time.

Renowned 'giant-killers' Yeovil had to face early season First Division leaders QPR on the famous 'shape' but almost 10,000 fans saw the visitors run out 3-0 winners this time. Today's visitors, had a stiff draw against 1987 Cup Winners, Coventry and a 0-0 half time score looked promising but a Kilcline penalty broke the deadlock after 59 minutes and Cyril Regis made sure two minutes later. So we're both out of the Competition 'til next time round and now it's back to concentrate on the importance of the League. The mid week 0-0 scoreline at Halifax keeps us well on course for our goal.

BRIAN HALL

We recently tracked down ex Liverpool player Brian Hall who has been working for Preston Borough Council Leisure Services Department.

Brian originally signed for Liverpool his first club, as an amateur while studying at University. Brian recalls "A friend of mine wrote to Liverpool requesting a trial for myself and I felt I would be better served to gain good qualifications at University first, as football is a precarious profession. This proved its worth because when my career was over I was able to enter the teaching profession."

Brian's early days at Liverpool were helped by the fact that the 1960's team was breaking up. He recalls, "My first game for Liverpool was against the old rivals Everton, the 'A' team that is."

Brian's career soon took off and he became a valuable squad member but he only played 140 League games in several seasons. Brian wasn't disappointed, "I was playing for one of the great club sides; it is an experience that not many players have had and I was fortunate enough to win many medals, and many memories."

Brian had many high spots in his career, "One that particularly stands out was scoring the winner in the 1971 FA Cup semi final against Everton." However this was tempered by Arsenal beating Liverpool 2-1 in the final in which Brian played in.

Brian was unlucky in 1973, "I played in the UEFA Cup final at Anfield but the game was abandoned and the following night I reverted back to substitute." Liverpool won 3-2 on aggregate.

gate. "I also suffered a similar fate against Bruges in the 1976 UEFA final which we won 4-3 on aggregate. However I did receive a medal for each occasion. Leaving Liverpool wasn't originally a wrench, competition was strong with McDermott, Case and a young lad called Sammy Lee challenging for places so I chose to move to Plymouth and although I found the move interesting, and I also worked in their commercial department, I realised I had possibly made a mistake in leaving Liverpool. Burnley came in for me and we moved back to the North-West where my wife and I have our family roots," says Brian.

Brian's only football aspirations these days are "for my son's U-13 Central Lancashire Junior League team to win their league."

Brian still meets many of his old team mates particularly Ronnie Yeats, Ian StJohn, Roy Evans, Ronnie Moran and of course Phil Neal.

Brian is a keen supporter of plastic pitches for the lower income clubs as his work with Preston has shown. He also has strong views on how to combat the scourge of the game of football hooliganism, "I would recommend more community use of stadiums (eg. the success of Preston North End's community scheme) and more use of marketing towards family groups attending matches, together with more effective punishments for offenders."

Finally, I asked Brian his opinions on a Super League, "There already is one" he said. "Liverpool, the rest—NO CHANGE".

FLASH BACK

5 YEARS AGO. 15th January, 1983.

Wanderers Jim McDonagh joined the select band of goalkeepers who have kicked the ball out of their own penalty area and scored at the other end. His goal came in the 79th minute of Bolton's 3-0 win over relegation haunted Burnley at Burnden. Tony Henry headed the first goal in the 16th minute and David Hoggan shot home the second in the 31st.

Former England youth international skipper Mike Bennett was placed on the transfer list at his own request whilst Neil Whatmore's loan from Birmingham was extended for a further month.

10 YEARS AGO. 14th January, 1978.

Bolton went back to the top of the second division after a 5-1 win over Sheffield United at Bramhall Lane that Manager Ian Greaves rated a near perfect performance. Peter Reid put the Wanderers into the lead in the 10th minute and Frank Worthington added a second ten minutes later before Alan Woodward put United briefly back into the game in the 36th minute. Peter Nicholson added a third in the 53rd minute before skipper Roy Greaves scored the fourth from the penalty spot in the 61st minute. Neil Whatmore grabbed the fifth in the 75th minute as the Wanderers went nap for the first time away from home since 1960.

15 YEARS AGO. 13th January, 1973.

Bolton drew 1-1 at Charlton Athletic in the 3rd round of the FA Cup. The Londoners took the lead through a disputed penalty, Bob Curtis scoring after Phil Warman had missed the first effort, the referee ruling that Charlie Wright had moved too early. Stuart Lee grabbed the equaliser with twelve minutes remaining.

17th January, 1973. The Wanderers defeated Charlton 4-0 in the replay at Burnden but they did have a scare. Leading by three goals at the interval, thanks to Peter Nicholson and a Roy Greaves brace, the referee checked the frostbound ground and decided the game could continue much to Charlton's disgust. Garry Jones rounded off the scoring with the fourth goal in the 68th minute.

RESERVES NEWS

The Reserves latest Central League game, at bottom club Darlington, was unfortunately a casualty of the weather and so today we take a brief look back at the season so far which has seen the Wanderers climb into a challenging position.

Only one defeat in the opening five games, in which the Wanderers scored sixteen goals, brought about a bright opening to the season. Unfortunately the next seven games failed to produce any victories but only once were the Wanderers taken to task when they went down 5-0 at Rotherham United.

The run came to an end when League leaders Barnsley were beaten by an Ian Stevens goal at Burnden but the following week lowly Notts County brought Bolton back to earth with a 3-0 win.

Three consecutive wins during December have once again turned things in the Wanderers favour and if some consistency can be kept in home results, which have let the side down in previous seasons, a top four placing and promotion to the first division is not beyond the second string.

Good afternoon and welcome to Burnden Park on this rather special day. What should we call it—Life-Line Day? Well some lucky person today is going to win a Tenerife Apartment so it could well be 'San Miguels' all round just after half-time, especially if they pull my number out.

Torquay United, todays visitors are in the promotion pack like ourselves and their away form is only bettered by Colchester. With six victorie on their travels so far this season, Cyril Knowles has done a fine job since taking over transforming them from the lower reaches of the Division last season, to this seasons high flyers. The lads will be looking for revenge today after going down 2-1 in September. That game marked Robbie Savage's debut for the Club, when he scored from a fine free-kick.

Last week at Barnsley we put up a fine performance and were most unfortunate to go down 3-1. On the day we played as well as we have all season away from home and had we converted the two chances we had just after half-time the pressure would have been on Barnsley. But it wasn't to be and despite Ian Stevens' fine goal the tie slipped from our grasp.

Now that the holiday period is finally over with and the turkey and mince tarts can be forgot about for another 12 months we can now concentrate on the second half of the season and perhaps another Wembley visit in the Frieight Rover Trophy. Next week we visit our close neighbours Bury, in what should be a very interesting clash with the shakers expecting one of their best gates of the season. Old boys, Simon Farnworth and Peter Valentine, will be trying to put one over on the old club.

Last Tuesday night saw us share the spoils in an exciting goal-less draw at Halifax, it wasn't one of our better performances but conditions were poor on and off the pitch. I couldn't even get an Oxo at half-time. But never mind, I believe they are buying Scunthorpe's old stand when they move next season.

Burnden Park News

This week sees a new feature begin which will highlight the Reserves and Junior teams here at Bolton.

Steve Carroll, Youth Team coach pulled off quite a coup on New Years Day by signing **Craig Lewin** (Age 14) on Associated School Boy Forms. Craig, who hails from Liverpool was a result of the intensified scouting system organised by Steve and Mick Brown. The Wanderers beat various 1st and 2nd Division clubs to sign Craig, who plays up front.

PAUL HUGHES

Paul made his debut at right full-back in the game with Stockport over Christmas showing what a fine prospect he is going to be for the future. Paul, who is just 19, was captain of last years' successful Youth Team and turned full professional with the club last summer.

NOTEBOOK

REFLECTIONS

All three games between today's visitors and the Wanderers, prior to this season, took place during 1972.

The first time that the club's crossed paths was in January of that year when Torquay visited Burnden in the third round of the FA Cup. The Wanderers had defeated Bangor City and Rossendale United to reach that stage of the competition whilst United had seen off Nuneaton Borough and Barnet.

Roy Greaves opened the scoring for the Wanderers in the 37th minute, sending an angled drive out of John Connaughton's reach, but David Tearse equalised for United in the 52nd minute.

The winning goal came in the 65th minute and it was Roger Hunt who earned the Wanderers a fourth round tie at Chelsea which they unfortunately lost 3-0.

The victory over United meant that the Wanderers had won more cup games than League games up to that stage of the season.

The two League games against Torquay the same season took place in the third division and both games attracted the lowest home and away attendances that the Wanderers played in front of during 1971/72.

On April 19th, 5,193 were at Burnden to see Bolton register a 2-0 win. John Byrom scored his 100th Football League goal in the 9th minute of the game and Garry Jones sewed up the points when he headed home a Ron Phillips corner in the 54th minute. United lost keeper Mike Mahoney through injury and Clint Boulton took over but he kept a clean sheet.

The two sides for the last game at Burnden between the clubs were:

Bolton:- C.Wright, Ritson, McAllister, Nicholson, P.Jones, Rimmer, Waldron, Hunt, Byrom, Phillips, G.Jones.

Sub: R.Wright.

Torquay:- Mahoney, Boulton, Stocks, Lucas, Edwards, K.Sandercock, Stuckey, Welsh, Tearse, Skirton, Jackson. Sub: Twitchin.

On May 5th the Wanderers made their first ever visit to Plainmoor, with the home side playing their final third division game of the season, having already been relegated. A crowd of 2,081, United's lowest since the war at that time, saw a 1-1 draw. Don McAllister put Bolton into the lead in the 40th minute with a 35 yard shot to register his first senior goal for the club. David Stocks headed United's equaliser in the 59th minute with what remains as United's last third division goal.

Earlier this season Torquay ran out 2-1 winners at Plainmoor. Mark Loram put United in front with a simple tap in and they went two up when Paul Dobson converted a penalty.

A minute into the second half Bob Savage scored his first Bolton goal from a thirty yard free kick that soared past Kenny Allen. Despite a number of chances late in the game Bolton failed to find the equaliser therefore allowing United to climb above them in the League.

IT'S A FACT

Derek Scott made his 100th Football League appearance for the Wanderers in the Boxing Day game at Hartlepool. John Thomas made his 300th League appearance in the same game.

The Wanderers struck their 1500th post war Football League goal at Burnden Park in the 3-1 win over Scarborough on New Years Day. John Thomas registered the goal that marked the milestone.

Mr. Michael Shaw,
22 Chipping Road,
Johnson Fold,
Bolton.

Sir,

On behalf of my son Peter I would like to thank you and your players for donating a football in aid of Peter's operation; the money raised from the raffle will go into the fund for the operation on his leg.

Peter was born with a very rare syndrome called Noonans, this involves a number of defects-a club foot, hole in the heart, a web neck, a narrow wind pipe, testicals in his stomach, deaf in one ear, acute asmah and a shadow over his lung. There is also a possibility that he may be slightly retarded.

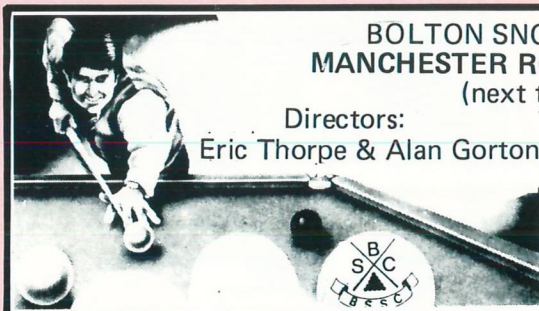

The only thing they can put right to a certain degree is the club foot.

However because of all Peter's problems each operation he has needs a special anaesthetist, which are not always available. And due to cut backs in the NHS by the time Peter has his operation on his foot the bone in his leg would be fully solid and he would be lame.

Therefore the only hope is to go private, and with the ball you donated it is at least the first step.

So on behalf of myself and my family, we thank you and your players very much and all the success for the future.

Yours faithfully,
M. Shaw.
